**Product Certification**  
**MasterSeal® 915 adhesion promoter**

To Whom It May Concern:

This is to certify that, as part of the Master Builders Solutions® brand launch, MasterSeal 915 became the new product name for what was formerly Sonoguard Adhesion Promoter. The name change became effective in 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain unchanged.
