

3M™ Full and Half Facepiece Reusable Respirators

3M provides a full line of reusable respirators to meet the needs of most work environments. Half or full facepiece reusable respirators help protect against both particles and/or gases and vapors.

1. Choose Facepiece

Features and Benefits

- Made from soft, lightweight thermoplastic elastomer
- Easy to adjust head straps
- Supplied with reclosable storage bag
- Swept back design improves balance and visibility
- NIOSH approved for negative pressure air purifying and supplied air dual airline applications
- Can be used with 3M™ Filters and Cartridges or 3M™ Dual Airline System

Features and Benefits

- Resilient silicone face seal provides comfort, durability, and stability with a soft but firm seal
- Optional Quick Latch mechanism makes it easy to drop down the respirator from face without removing head straps
- Cool Flow™ Valve helps make breathing easier with unique valve design and enhanced comfort by reducing heat and moisture
- Adjustable Head Harness for comfort with three-size adjustable head cradle
- Easy on and off as you move in and out of contaminated areas

Features and Benefits

- Advanced silicone material for increased comfort and greater durability
- Head harness design allows respirator to be worn in drop-down mode when used in non-hazardous environments
- 3M™ Cool Flow™ Exhalation Valve helps direct hot, humid exhaled air outside the respirator

Full Facepiece

Features and Benefits

- Soft, silicone face seal
- Four strap suspension for easy donning and doffing
- Bayonet attachment
- Wide field of vision
- Meets the requirements of ANSI Z87.1-2010 standard for face and eye protection
- Valve cover directs exhaled breath and moisture downward
- Available with negative pressure and dual airline models

Features and Benefits

- Large lens featuring Scotchgard™ Protector
- Passive speaking diaphragm
- Meets the requirements of ANSI Z87.1-2010 standard for face and eye protection
- Durable, long-lasting head harness and comfort cradle
- Soft, silicone nose cup and face seal
