

# 600ml MULTI-COMPONENT GUNS

## 600 Series Cartridge Specifications

*Unique characteristics of the cartridges in this category:*

- Either a 2 Piece snap-together or a molded one piece cartridge
- Designed to easily slide into a dispensing tool and to be held rigidly
- Multiple ratios fit one dispensing tool with no alterations to the tool
- Require “bell” shape mixer with locking nut (544-7)

**600 Series Cartridges:** *Compact package designed to contain multi ratio products; the total cartridge length is 8 1/2 inches. (Most common tool used is the B26T600)*

*Note: the 3/4 view below is an example, but not exclusively a representation*
