

USG DUROCK™ BRAND TAPE

Polymer-coated glass-fiber tapes that offer strong joint reinforcement of USG Durock® Brand Cement Board interior and exterior applications, and USG Fiberock® Brand Panels in interior applications. Available in 2"x50', 2"x250' and 4"x150' lengths.

BENEFITS:

- Alkali-resistant glass-fiber construction
- Reinforces joints and corners of panels in tile applications
- Sizes for interior (2" wide) and exterior (4" wide) joint reinforcement

USG FIBEROCK™ BRAND FLOOR PROTECTOR PAPER

When the flooring installation is complete but trade traffic keeps coming, roll out USG Fiberock™ Brand Floor Protector Paper. This durable, heavy-duty 100% recycled paper covers and protects finished floors from dirt, spills and scratches. USG Fiberock Floor Protector Paper is nonstaining, even when wet. It has no memory so it stays flat, and it can be used as a scribing paper in addition to many other uses.

BENEFITS:

- Made with 100% recycled paper
- Helps protect floors from surface damage
- Will not stain floor covering or grout joints
- Use in place of rosin paper
