

Why Choose 3M™ Spray Adhesives for Insulation Attachment?

3M™ Spray Adhesives can replace:

- ▶ **Fasteners**
Stick Pins, Insulation Fasteners, Insulation Stud Welding Pins
- ▶ **Indirect Adhesives**
PURs, Hot Melts, PVAs and SMP Hybrid Sealants
- ▶ **Direct Adhesives**
Contact Adhesives or Pressure Sensitive Adhesives

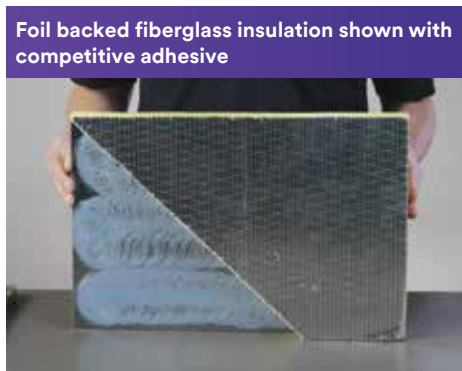

Feature	Benefit
Quick and easy to dispense	Increase throughput and reduce overall cost
Offers a fast, aggressive tack for a quick one-surface bond	
Permits immediate repositioning while providing long-lasting strength	No re-work and no damage to materials
GREENGUARD and UL certified	Ability to meet most regulatory and safety concerns
Broad portfolio of products	

Common insulation attachment applications:

3M Adhesives can show significant aesthetic and process improvement in the insulation attachment process.

With 3M Adhesives you can deliver material cost savings through coverage, equipment savings and automation.

3M™ Spray Adhesives

Liquid adhesives are used to attach insulation in replacement to fasteners or other types of adhesive. This can be a permanent bond and adhesive is either brushed, sprayed, or rolled onto the substrates. One surface bonding is most common and usually strong enough, but for additional strength a two surface bond can be used.

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
