\*MTS items represent high-volume items. The Minimum Order Quantity for all MTS items is 1 pallet. Thermafiber does not guarantee that all of these materials will always be available for immediate shipment, but items can be produced without a set-up fee.

SNS items represent lower-volume items of standard-sized materials. See the Minimum Order Quantity (MOQ) Table for minimum order quantities. A set-up fee applies to orders placed below the quantities listed in the MOQ table.

MTS and SNS items must be ordered in full-pallet increments.
